NO 684 S.L. dated 28th Aug 1924
Requests in the circumstances set forth of
Officers of Govt as to whether the endorse-
ments of officers empowered by the Govt
of India from time to time to deal in Govt
Securities in their official capacity may
be recognised or sanction obtained in
each case by his office -

1) In the list of officers enumerated in
Appendix III authorised to hold or endorse
Govt of India Securities in their official
name - is included The Manager, Bhawanji
Durbar Bank - The Dewan of Mysore is
also one of the officers enumerated in the
list.

2) As the Mysore Securities have of late been
circulating all over India, it is desir-
able that there should be a similar
provision for recognising the in Mys. Sec
Regulation also.

3) The Comptroller states that in a few cases
he has accepted the endorsements of certain
officers enumerated in App III to Sec. Man^{30th}
and requests general orders if he may
accept them in all cases. - L.S. Sec^t

4) Section 6 of the Mysore Securities Regulation Act provides for the holding of securities in various cases in which Securities can be held by holders for the time being of public offices. According to Sub Section (1) of that Act, permission to endorse can be given to holders of public offices only when the Govt. by notification in the Official Gazette declares that such Act applies. Unless this formality has been observed, the endorsements by such officers in their official documents cannot be valid. The cases in which the Comptroller has allowed endorsements by public officers may now be notified in the Gazette to validate Comptroller's action and a similar notice issued in respect of the officers in whose favour suggestion has now been made. In informing the names of these officers, the Comptroller has been asked to inform the State authorities that the Mysore Govt. cannot accept the responsibility for enquiring as to who is the actual holder of office at the time made.

of Govt for the recognition of "endorsements"
made by the Chief Secy of the marginally

all been accepted by his office and
with regard to limiting the cases of recog-
nition, points out the difficulty caused
to investors by such restriction and
states that with a view to minimise

the names in the Gazette or provisionally

of sanction.

(3) In the last communication addressed
to the Comptroller dated 2¹⁰/₂₄ he was
asked to take necessary action to notify

in the Mysore Gazette the names of officers enumerated in App. 2 of the G. O. Sec. 1914 whose endorsements in their official capacity were accepted by him. He has now sent a list of 8 names, whose endorsements he recommends for recognition. The first five, he requests, that the first five names may be notified in the Gazette -

14) The last three officers are all of Bhavanagar state and it is a point for consideration why so many as three persons' endorsements should be recognised in a single State. (vide Secy's note on page 2 of the notes).

15) To minimise the inconvenience caused to investors by the adoption of the above procedure the controller requests general authority to accept the endorsements in such cases ^{in which approval will be accorded in the usual course} pending approval in anticipation of Govt sanction. This is also for orders.

16) A draft notification publishing the first five names in the Gazette is put up for approval or other orders.

17) The first 4 are very general. Please obtain particulars from the Comptroller's Office as to who are the officers who have been actually ^{been} recognised as coming under the 4 categories.

25) In his letter^x dated 20th October 1924, the Comptroller has proposed that the following officers may be authorised to hold ~~the~~ Mysore Government Securities in their official capacity under Section 6 (1) of Regulation No. IX of 1894.

1. Accountants-General.
2. Administrators-General.
3. Commanding Officers of Regiments.
4. Official Trustees.
5. Dewan of Cochin.
6. President, Council of Administration, Bhavanagar State.
7. Controller of State Accounts, Bhavanagar State.
8. Manager, Bhavanagar Durbar Bank.

26) In some cases, the Comptroller reports ~~that~~ that he has already accepted endorsements made in favour of the above officers. This procedure was not correct, as the authorisation required under Section 6 (1) of the Regulation, ^{has to be} ~~the public~~ ^{published} ~~in~~ in the Mysore Gazette.

27) For reasons stated by the Comptroller in his letter^x dated 20th October 1924, it is desirable to authorise our securities being made or endorsed, payable to holders of public offices by the names ^{have} of their officers. We ~~are~~ to take all steps which will conduce to the popularity and free circulation of our securities throughout India.

28) The Comptroller reports that all the offices named above are those in whose names the Government of India securities can be held according to the Law and Rules of that Government. Our law on this subject is the same as

that of the Government of India and I do not see any risk in following the same Government and permitting the above and other similar offices being given the privilege for which provision is made under Section 6 (1) of the Regulation.

2a) There are, however, two points on which some doubt is entertained:-

(1) Section 6 (1) refers to "any public offices". What exactly is the legal significance of the expression "public offices" I do not know; nor whether the public offices contemplated in this Section refer only to such offices under the Government of Mysore or under any other Government *or even under any Corporation or Company*

(2) Whether any legal inconvenience will arise in permitting our securities to stand in the names of public offices outside Mysore. If the validity of an endorsement made to or by, the holder of a public office outside Mysore is challenged, I do not know whether the point has to be settled before a Court in British India or a Court in Mysore. The Government of India, however, have recognised such holding in respect of public offices outside British India, e.g., Dewan of Mysore, and some officers of the Government of Ceylon. I do not know how any difficulties of the kind referred to above that may arise in respect of the Government of India

The points of reference are contained in the Trib. Secy's note of 6/1/24.

The term "Public Officer" is defined in s. 2 of the C.P. Act. But that would apply only to public officers in Mysore. ^{Not} ~~But~~ ^{as there is} no provision in the Evidence Act as applied to Mysore, by which the fact accession to public offices outside Mysore can be taken judicial notice of by the Mysore courts.

34) As regards the second point and suit arising out of the endorsement made by a public officer in British-India will have to be tried there as the cause of action will arise there and in that case the difficulties pointed out in the first para will not arise.

35) There may not therefore be any difficulty in recognizing the endorsement.

W. A. Reguado (1) Case 4.

In Re Mirams (1891-1 Q.B. 594;
60 L.J. Q.B. 397) - Case 7. Said
"To make the office a public office
the pay must come out of national,
and not out of local, funds - the
office must be public in the
strict sense of that term - It is
not enough that the due discharge
of the duties should be for the
public benefit in a secondary
& remote sense."

37) In accordance with this
definition, offices in a Corporation or
a Company ~~are not public offices~~
are not public offices. For these
offices are not paid out of State
funds.

38) W. A. Reguado (2), the
expression
~~person~~ used is "any public
office". This expression may
mean "public office inside or
outside the State", as the expression
is not ~~quali~~ restricted to offices in

Кісьонь.

It was probably an such
construction of the scope of the
British Indian Act that the
recognition of the right is, recognized
as a public officer under the Act.

- 41) The first point on which some doubt is entertained by the Fin. Sec. relates to the operation of Sec 6 in respect of 'Public office' used therein.
- 42) Section 6 is basily taken ~~from~~ with slight modification from Sec 6 of Indian Decree Act 1886 ^{with necessary modification} Act 4 of 1920. Contains the same provision.
- 43) The question is whether the expression 'public office' as used in Sec 6 is confined to public office in Mysore or extends to ~~any~~ public office in any part of the world.
- 44) According to the rules for the interpretation of Statutes, words are presumed to be used in a Statute in their popular sense; *lati loquuntur vulgas*. (The Justice, 34 L.J. P.M. & A. 27; Pitts v Millar L.R. 9 Q.B. 380) But when dealing with particular business or transactions words are presumed to be used in the sense in which they are used & understood in the particular business in question. [See per Lord Esher M.R. in *Unwin v Hanson* (1891) 2 Q.B. 119.]
- 45) In the present case there is no reason to suppose that either the Govt. of India Act or the Mysore Regulation, Legislature did intend to use the expression 'public office' in any technical sense. Hence the presumption is that the expression is used in a popular sense. The natural & ordinary meaning of the term in that 'public office' is the place in the employment of Govt. & the office must be public in the strict sense of the term.

In the words of eminent judges the persons who hold the office, should be paid out of sums of money principally contributed from the taxes of the country in order that the person to whom it is paid may discharge a duty which is recognised as part of the Public Service. (see Pollock B. in *Ross v Harding* (1891) 1 Q.B. 560.

Cave J in *Re Hiras* (1891) 1 Q.B. 594 expressed himself thus: "To make the office a Public office the pay must come out of national, & not out of local, funds, - the office must be Public in the strict sense of the term. It is not enough that the due discharge of the duties should be for the Public Benefit in a secondary & remote sense."

(47)

The expression for 'any public office' used in Section 6 of the Transfer of Property Act, 1882, have been used in the sense indicated above & applies to officers not only in Mysore but also to officers in B. India & in Native States, Princely States etc. provided that the salary of the person who holds the office is paid out of general revenues of the State & that he performs a function imposed upon him recognised as part of the public service of that country. It has no application to an office held under a contract.

(48)

There is no danger to extend this to the expression in wide sense for Section 6 limits the public office to such of the offices to be declared by Govt. as to which this Sec 6 (1) applies.

Second point on which a doubt was expressed relates to legal inconvenience arising out of transactions connected with the holding of such offices or posts.

49) What is intended by Sub. Section 6 is that a Govt. Security may be made ^{endorsed} or to the order of the holder for the time being of the office by the name of the office & its ^{incorporating to the benefit of} ~~incorporating to the benefit of~~ ^{instead of} a named individual, the endorsement ensures to the benefit of any person who holds the office.

50) If the validity of an endorsement made to or by the holder of a public office outside anyone is challenged, the Court within whose jurisdiction the endorsement is effected will take cognizance of the cause & decide it just in the same manner as if an endorsement is made to or by a private individual instead of the holder of a public office.

51) The Govt. of India found no difficulty in solving both the three doubts & our Govt may perhaps solve it in the same manner.

To

M.N. Krishna Rao, Esq., B.A.,

Financial Secretary to the Govt. of Mysore,

SIR,

1371

Adverting to your letter No. F1.1973 of the 2nd October 1924,
intimating that the names of officers entitled to hold Government
Securities in their official names should be published in the Mysore
Gazette before the endorsements made by them are recognised, I have
the honor to state that approval of Government may kindly be obtain-
ed for the recognition of the endorsements made in their official
capacity by the first five of the marginally noted officers, as
this office has already accepted such endorsements on the authority
of the Government of India Securities Manual, and that a notification
to that effect may kindly be caused to be issued in the Mysore
Gazette. The other three officers noted in the margin are of the
Bhavanagar State and I invite your kind attention in this connection
to this office letter No. S1.684 dated 28th August 1924.

Regarding the limiting of such recognition it may be observed
that as the majority of State Loan Bonds are in free circulation
outside the State where the rules relating to Government of India
Securities

13/11/10
 Securities are being freely applied to our securities also, the officers mentioned in appendix ~~IX~~ III of the Securities Manual feel no hesitation in dealing in Mysore Government Securities in their official capacity. To raise an objection at a later stage when they are received in this office, may not be very much appreciated by the investors as they will be put to much difficulty by the non-recognition of the endorsements by this office, and each time a bond is received bearing such officer's endorsements, orders of Government will have to be obtained. To minimise the inconvenience ^{if approved} I will in such cases obtain the previous approval of Government pending the publication of the name or names in the Gazette or provisionally accept the endorsements in cases in which I think that approval will be accorded by Government in the usual course, as the exigency of the case may require.

I have the honor to be,

The securities of the loans raised by the Government of Mysore have either been issued or endorsed to the officers mentioned in the appended list ^{in their official names}. Provision has been made in the Mysore Government Securities Regulation No. IX of 1894 for securities being "made or endorsed payable to or to the order of the holder for the time being of the office by the name of the office". This provision is similar to the corresponding arrangement recognised in the Government of India Act No. XIII of 1886. The officers mentioned in the appended list have been ~~authorised under to hold securities in their recognised for the purposes of the latter official names under~~ Act and what is now proposed is to adopt a similar procedure to enable these officers to hold the State's securities in their official names.
